1. General Information

Group name: CDH

Group ID: 13

Team members present:

No.	ID	Full name
1	23120243	Trần Nhật Dương
2	23120261	Văn Phú Hiệu
3	23120251	Đào Duy Hào
4	23120239	Nguyễn Huỳnh Trọng Đức
5	23120221	Nguyễn Đình Chuẩn

Team members absent:

No.	ID	Full name

Meeting's purposes: Definition of the objectives for the next PA.

From: 22:00, November 7th, 2025

To: 22:30, November 7th, 2025

2. Details

Sprint objective:

Complete profile management, job post functions, and backend API integration; implement interaction and security features.

Task identification:

- Build an admin dashboard with job, user and application list (read-only).
- Basic statistics display according to database and export option as .csv file.
- Develop account features (view account, edit profile, upload CV) and integrate job APIs (GET /jobs for job listings, POST /applications for submissions).
- Implement job bookmarking, tracking submitted applications, and sending notifications when employers respond.
- Enable profile editing and recruitment posting/editing with API.
- CV labeling, responding to candidates and push/in-app notification with API.
- Preparing documentation for PA3

Task assignments:

Task	Member	Deadline
Build an admin dashboard with job, user and application list (read-only).	Dương	17/11/2025
Basic statistics display according to database and export option as .csv file.	Dương	24/11/2025
Develop account features (view account, edit profile, upload CV) and integrate job APIs (GET /jobs for job listings, POST /applications for submissions).	Hiệu + Hào	17/11/2025
Implement job bookmarking, tracking submitted applications, and sending notifications when employers respond.	Hiệu + Hào	24/11/2025

Enable profile editing and recruitment posting/editing with API.	Đức + Chuẩn	17/11/2025
CV labeling, responding to candidates and push/in-app notification with API.	Đức + Chuẩn	24/11/2025
Documentation	All members	22/11/2025
